CADETS AND DATES—Taking a break during VMI's traditional Ring Figure on Friday night, November 28, 1969, are, from left Thomas Warren Lawson of Appomattox with his date, Miss Mary Jane Paulette of South Hill; Steven E. Ballowe of Lynchburg with his date, Miss Ann Marie Ritchey of Springfield and Kenneth H. Coleman of Appomattox and his date, Miss Debby Ford of Lynchburg.

Local Boys Participate In VMI's Ring Figure

Appomattox can boast of VMI graduates, but this is the first time we have had two local boys to receive their rings at the same time.

Cadet Kenneth Coleman, son of Mr. and Mrs. K. E. Coleman, is a biology major and plans to enter medical school after graduation from VMI.

Cadet Thomas Lawson, son of Mr. and Mrs. Jack Lawson, is majoring in History but is now considering law school after his graduation.

Prior to 1926, VMI cadets received their rings at Finals of the second class year, however, the class of 1928 broke with tradition and held their Ring Figure on Thanksgiving week end and this has been the custom since that time, with each class altering and thus improving some of the customs. Ring Figure ceremony, second only to Graduation, marks the highpoint of a cadet's four years and a class's growth to maturity.

"The Class of 1971 will not pass without leaving its mark upon the traditions and customs of the Ring Figure ceremony. With the establishment of the Douglas Carter France III '71 Memorial Award, the class looks with an eye to the future — providing the means by which ensuing classes may recognize outstanding Brother Rats during their second class year.

"We are far from a static class, for we are constantly striving to evaluate and improve that which we find around us. With Ring Figure -- a number of traditions may change, most will remain the same. This Ring Figure Week end, 1969, is the product of the diligent efforts of thirty-two previous classes. We have learned from them and profited by their successes; it is little wonder that we are confident that the Ring Figure of the Class of 1971 is the best in the history of VMI." Copied from the Class of 1971 Ring Figure Program.

HONOR ABOVE SELF is the Insignia on the class side of the ring for the Class of '71, preserving the Institute side from the original ring.

There's one Christmas gift that never goes out of style—U.S. Savings Bonds. And they are practical as well as patriotic.

Cottage Pie

That sounds like a charming name for a leftover! It's simply mashed potatoes pressed into a lightly buttered baking dish, topped with a layer of seasoned, ground, leftover meat moistened with gravy, then a final layer of mashed potatoes. This top layer could be fluted through a pastry bag. Bake in a moderate oven (350° F.) until heated through, about 20 to 25 minutes.

Remember !! Your contribution is tax deductable.

Coffey Original In Concert

An original number by band director Frank Coffey was among the musical offerings Tuesday night, Nov. 25 as Appomattox High School patrons heard the stage band in a short concert.

Director Coffey explained that the young musicians practice mostly after school hours, that they enjoyed numbers a little more up-beat than the standards used by the marching band.

"Blue Licken" was the original number played, a jazz selection with lots of rhythm. The band, Coffey explained, has been hit by injuries and illnesses - so much so that he considered not appearing, but decided with all the spirit shown by the players he would put on the performance anyway. The audience greeted the concert with loud applause.

All selections played were arranged by the director. At the piano was Julia Hesson; drums, E. W. Paulette; bariton horn, David Jones; French horn, Rita Inge, Saxaphone players are Janet Hall, David Smith, Gary Harris, Deborah Rowsey and Mr. Coffey. Flute Cook plays bass and trumpet players are Bryan Selz, Mary Lou McCraw, Ricky Wingfield and David Harris.

Decorations For Christmas

Candles glowed and tinsel sparkled Monday evening as Mrs. Harry Reynolds (left) explained to the Appomattox Woman's Club the "how to's" of transforming ordinary items into cheery Christmas decorations. She rates as a favorite this gilt Christmas angel made from turkish toweling draped on a wire and cardboard armature. Mrs. Jack Mathews and Mrs. Harry Gordon Lawson were among the many club members who came up to the display table for more information following the meeting. Hostesses for Monday's meeting at the Rescue Squad building were Mrs. H. Y. Spencer, Mrs. Frances McD. Cheatham, Miss Annie Alvis and Mrs. M.G. Stimpson.
